BIKE SHARE

### What is Tampa Bay Bike Share?

It is a community Bike Share program. Residents and visitors will have access to 300 public bicycles distributed throughout the city. Use the bikes to commute to work, do errands, visit friends, or just for fun!

### How will bike share benefit Tampa?

Bike Share will enhance transportation options by making it possible to quickly access a public bicycle near places of employment, tourist destinations, educational institutions, and transit stops. The program seeks to encourage bicycle usage as an environmentally-friendly and congestion reducing transportation option.

### What does a membership cost?

Annual memberships will cost \$79 (21 cents per day). Student memberships will cost \$59 (16 cents per day). Tourists and casual users will be able to access bicycles through "Pay-As-You-Go" memberships starting at \$5/hour or \$25/day.

### When will the bike share program start?

The program is scheduled to launch this fall with 300 bikes and will operate 24/7, year round.

### Who will operate the program?

The program will be operated by CycleHop, LLC. The public-private partnership will be funded through sponsorship at no cost to the City.

FUN, HEALTHY, AND SUSTAINABLE

### What is a Social Bicycle?

Social Bicycles are "Smart Bikes" designed specifically for Bike Share. The bicycles are extremely durable and can accommodate a range of heights.

Social Bicycles are also equipped with an integrated GPS-enabled locking mechanism for security, and the bikes are remotely monitored through an enterprise software program.

YES, I WANT BIKE SHARE

### Where will the bikes be located?

Bikes will be found at hub locations throughout the city. Please visit our website [TampaBikeShare.com](http://TampaBikeShare.com) for an up to date list of locations.

We welcome your input - please contact us to suggest a Bike Share location.
